20% more fresh air inside buildings thanks to the implementation of modern ventilation systems.

LED lighting in common areas **reduces** energy consumption by **approx 45%.**

(1)

25

Monitoring of energy (kWh) and water consumption synchronized with the BMS.

Segregation of waste by group during and after construction

Construction materials in the S&C and fit-out phase are sourced from local certified suppliers.

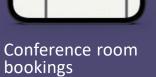

BREEAM®

WE CARE FOR GREEN

Cavatina leads the whole investment process responsibly and with respect to the environment. We aim to provide comfort and healthy work environment for our tenants. Thanks to this approach we mitigate energy and water consumption and ensure high energy efciency of the buildings since the early design stage and throughout the whole development process.

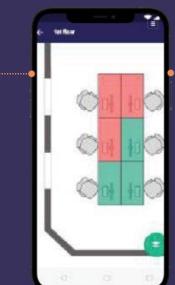

Mobile remote access

EASILY MANAGED

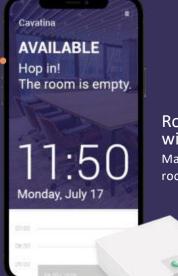

ADDITIONAL

Room reservation with IoT Sensors
Manage all conference rooms from your mobile.

Providing *highest quality* disinfectants in buildings common areas *with regular sanitizing*.

Biodegradable masks and disposable gloves provided at the entrances.

UV sterilizers installed at each entrance to the buildings.

Conducting an audit of the *ventilation system* and inventory of air filters.

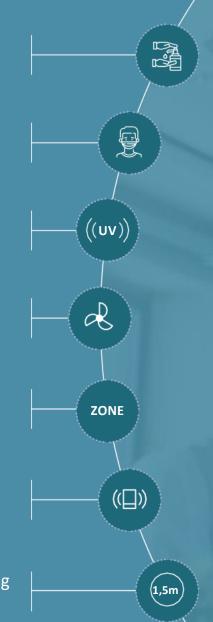

Safety zones provided in the lobby & front desk areas.

Contactless entry

to the buildings and ofce spaces thanks to mobile app.

Clear safety signage

in common areas of the building providing information based on implemented procedures.

In Cavatina great importance is attached to operational & technical activities that can increase the level of safety and health of employees. Cavatina provides wellbeing certification systems such as WELL, containing a number of guidelines for the design and functioning of space in the most safe and user-friendly way possible.

Fit-out & Branding

Offices A to Z

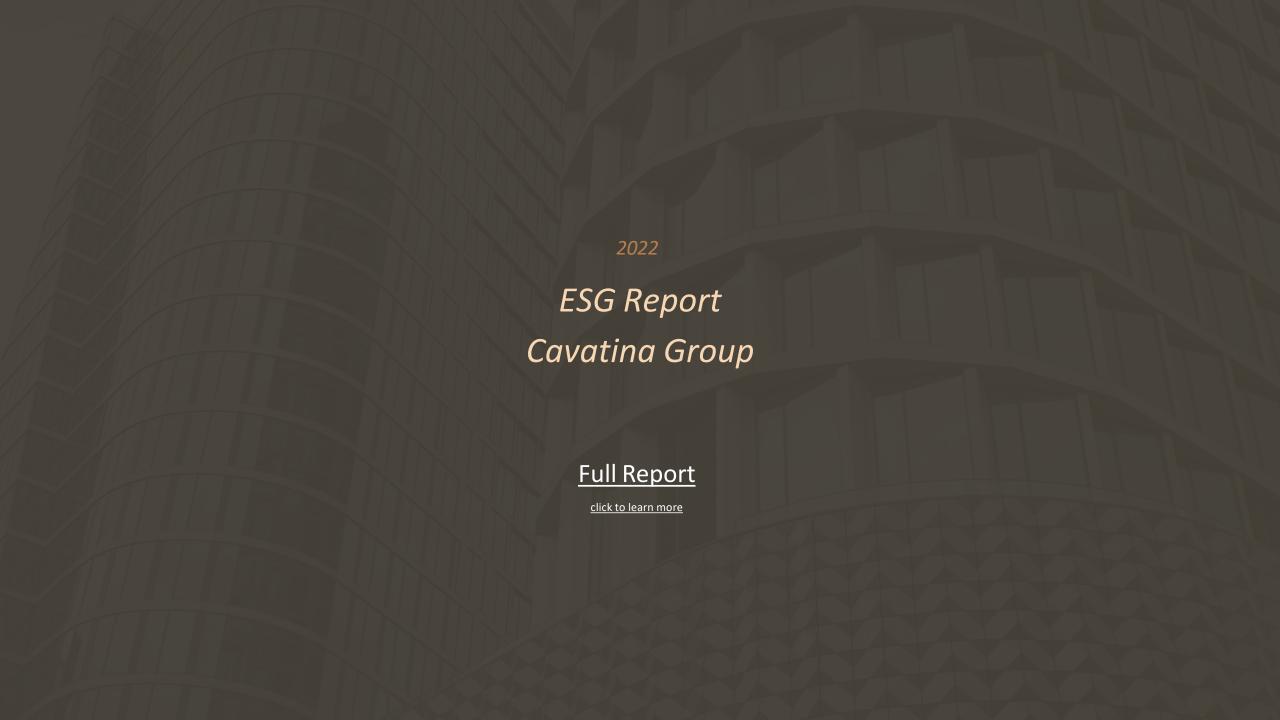

Scope of office works

Extended Social

Responsibility

In our approach, we go far beyond basic industry-related social activity, which significantly distinguishes us from other developers. We act holistically and look at numerous aspects of social functioning in the places where we develop our investments.

We inspire and support their development through thoughtful, diverse charitable activities, sponsorships and cultural projects. These are carried out at Cavatina's corporate level and by entities with which we work closely.

Cavatina Group

Fiducia Foundation

The statutory objectives of the foundation include activities in the following areas:

Charitable activities and socially desirable initiatives

Equal opportunities and support for people excluded by age, gender, social position or disadvantage in life.

Provide access to culture and the arts, education and activation of younger and older people.

Cavatina Hall

A wide spectrum of experience

Music is emotion. We give them space. At Cavatina Hall, we act holistically, offering audiences exposure to music from all corners of the world in a comfortable space.

We also open our interiors to young talents and interesting ideas. We delight in music and good company, which is why we create this place as open to everyone.

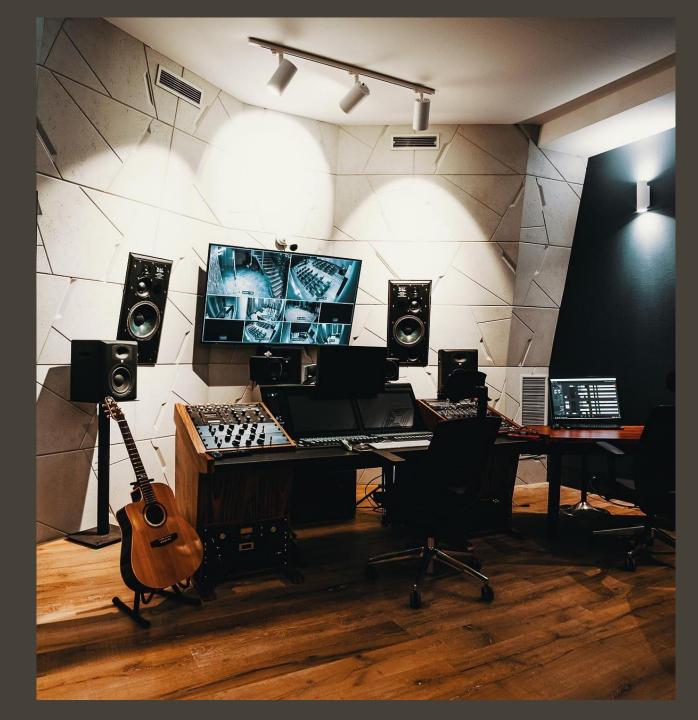

Cavatina Hall

Cavatina Studio

Cavatina Studio is the heart of the Cavatina Hall facility.

It is responsible for the realization of concerts and recordings on the main stage through the use of a direct connection to the hall, which makes it possible to realize recording sessions with large ensembles of musicians, combined broadcasts from the concert hall for television and the Internet - in technically and acoustically favorable conditions.

Film production

The group has also developed in-house activities in the area of production, resulting in the Cavatina Film Production, created in 2016. It is engaged in the production and promotion of independent cinema.

The aim of its activities is to support worthy projects from different areas of cinematography.
